## ULTRASOUND PROBE COVERS

MDR  
certified

## PROTECT YOUR PATIENTS & MEDICAL STAFF WITH THE PRODUCTS OF PCU

**With the ever increasing use of Ultrasound in the healthcare setting, it is very important to protect your patients and healthcare workers against Hospital Acquired Infections by using the right Ultrasound Probe Cover.**

PCU, based in Zelhem The Netherlands, manufactures a full range of protective covers for the safe and hygienic use of ultrasound transducers minimizing the risk of CROSS-CONTAMINATION, protecting PATIENTS & MEDICAL STAFF, while extending the life of your expensive EQUIPMENT.

Whatever branch of medicine, wherever ultrasound is used, the PCU Probe Covers offers the key to peace of mind when it matters most and helps improve clinical outcomes by maximizing the protection.

Our objective is to manufacture probe-covers that meet the highest quality standards in compliance with the MDR (EU) 2017/45 standard and exceed the expectations of our valued customers.

### PCU - Ultrasound Probe Covers provides

- Protection against HAI for both patients and staff
- A safe and hygienic use of Ultrasound Probes
- A longer life for your expensive ultrasound probes

### TEE probe covers used in CARDIOLOGY

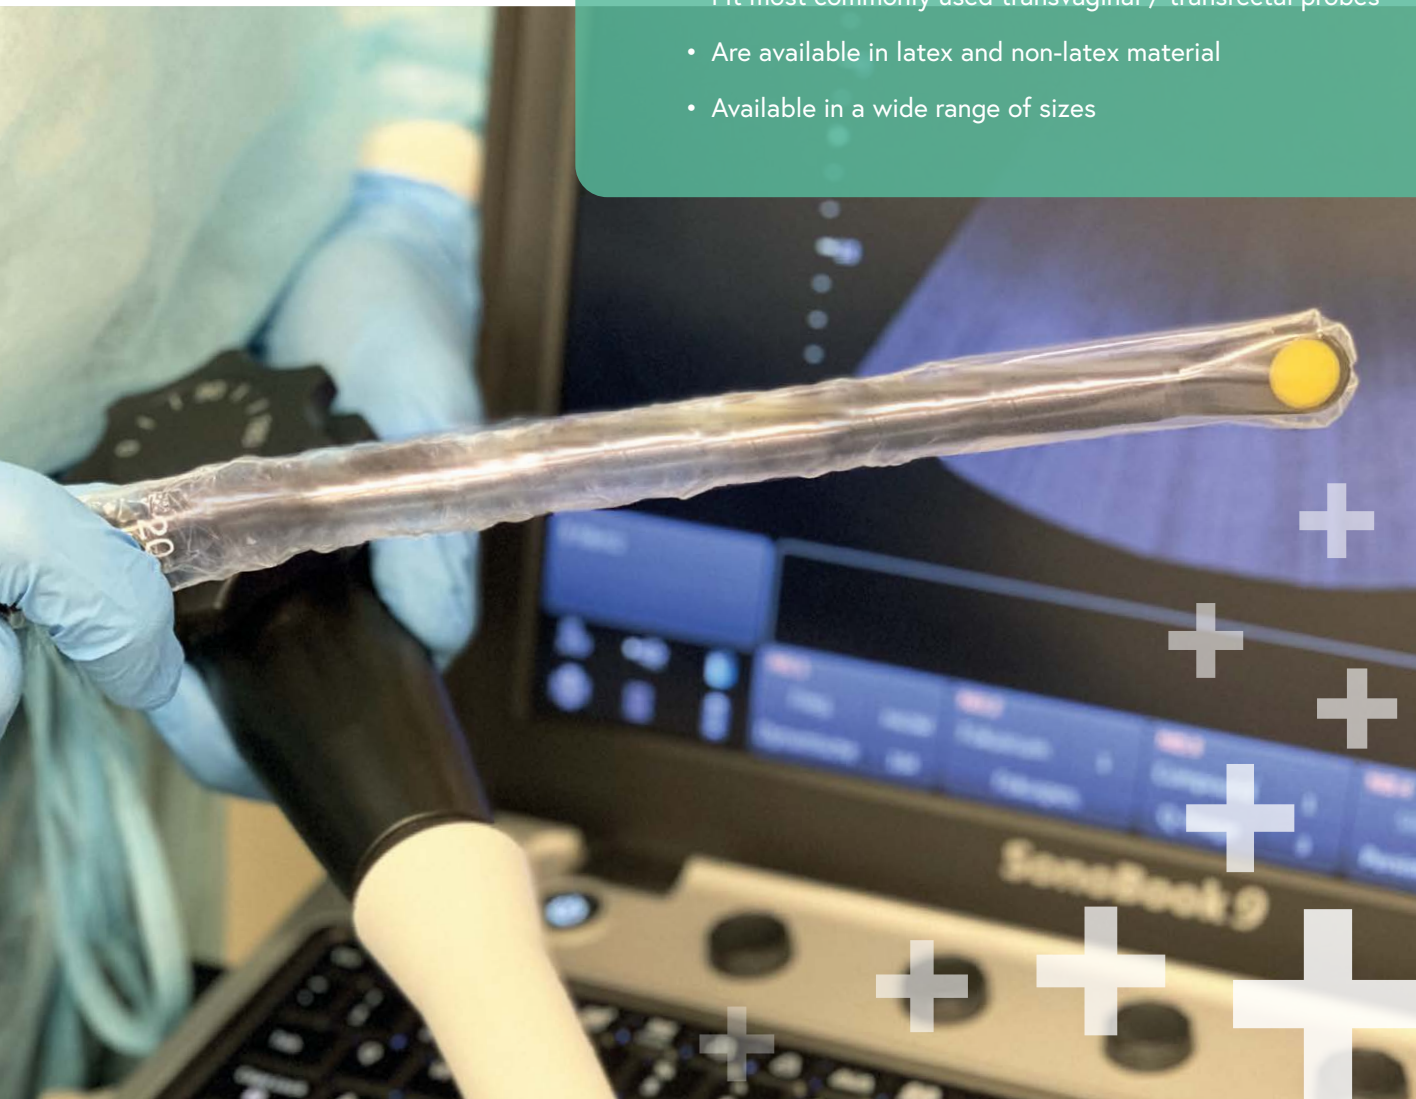

- Are available both sterile and non-sterile
- Have a tapered design to provide a tight fit
- Come in multiple configurations
- Are available in latex and non-latex material

### General Purpose probe covers used in RADIOLOGY

- Are available both sterile and non-sterile
- Are telescopically folded for ease of application
- Are available in latex and non-latex material
- Have a 3D box-end
- Available in a wide range of sizes

### Endocavity probe covers used in GYNAECOLOGY / UROLOGY

- Are delivered both sterile and non-sterile
- Fit most commonly used transvaginal / transrectal probes
- Are available in latex and non-latex material
- Available in a wide range of sizes

RADIOLOGY		Latex covers   Sterile				
Article No	Size cover	Content description	Material cover	Sterile / Non Sterile	Inner case	Outer case
2800.1020	40 x 300 mm	Cover rolled	Latex	Sterile	18	30 x 18
2800.1027	50 x 300 mm	Cover rolled + twistlock	Latex	Sterile	10	30 x 10
2800.1036	50 x 300 mm	Cover rolled + elastic band	Latex	Sterile	10	30 x 10
